Annapolis, March 9th, 1826.  
The present deficient returns of the Militia of Maryland, require that every possible exertion should be made by all Officers in command, to effect a complete return of all persons liable to Militia duty. Colonels, or Commanders of Regiments, and Majors of Extra Battalions shall, as soon as practicable, cause the Captains under their command, to enroll all such persons as are subject to Militia duty within their respective company bounds, and shall cause the same to be done annually. If no captain is in commission in the company District, the Colonels or Commanders of Regiments and Extra Battalions, shall appoint some person to act as such, until the Commission shall be received from the executive, to prevent any delay in making the return. Should any difficulty arise, as regards the bounds of the Regimental or Company Districts, the Brigadier Generals, or Colonels, or Majors of Extra Battalions, as the case may be, shall proceed to correct the same as required by the act of 1811. And it shall be the duty of the Colonels, or Commanders of Regiments, or Extra Battalions, in addition to the return which they are required to make to their respective Brigadier Generals, to make returns annually to the Adjutant General, stating the number of Companies in each Regiment or Extra Battalion, and the Officers commanding each. ### MODE OF DRAWING—The

numbers will be put into one wheel as usual, and in the other wheel will be put the prizes above the denomination of Four Dollars, and the drawing to progress in the usual manner. The 20,000 prizes of \$4 each will be awarded to the odd or even numbers in the Lottery, (as the case may be,) dependent on the drawing of the capital prize of \$25,000, that is to say, if the 25,000 dollar prize should come out to an odd number, then every odd number in the scheme, will be entitled to a four dollar prize; if the 25,000 dollar prize should come out to an even number, then all the even numbers in the scheme will be entitled to a 4 dollar prize.

The odd numbers are those ending with 1, 3, 5, 7, or 9. The even numbers are those ending with 2, 4, 6, 8, or 0.

This mode of drawing not only enables the Commissioners to complete the whole Lottery in one drawing, but has the great advantage of distributing the small prizes regularly to every alternate number in the scheme, so that the holder of two tickets or two shares of tickets, (one odd and even number) will be certain of obtaining at least one prize, and in the same ratio for any greater quantity.

A Ticket drawing a superior prize in this scheme is not restricted from drawing an inferior one also—many tickets therefore, will necessarily obtain two prizes each.

### THE DECISIONS

OF THE COURT OF APPEALS

OF MARYLAND.

To be Reported by Thomas Harris,

Esquire, Clerk of the Court of Appeals, and Reverdy Johnson,

Esquire, Attorney at Law.

These Decisions will form a continuation of the first volume of Reports already published by Messrs Harris and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

TERMS.  
The price of each number of the Reports will be \$1 25, payable on delivery.

Subscribers to the above Work are requested to send the Reports to the Store of GEORGE SHAW'S Store the Maryland Gazette Office, and the respective Offices of the County Clerks of this state.
